

AUG 2026

NEWS FROM THE VALLEY

THE **VALLEY BUS** NEWSLETTER

2026 COVER EDITION

WELCOME BACK - VALLEY BUS 2026-2027 ROSTER!

August brought two important events for the Valley Bus team as we prepared for another successful school year.

On Aug. 20, employees gathered for Orientation to reconnect, review essential information and prepare to serve our students, families and schools. Guest speakers Kellie Haaby and Cassie Jorgenson from FPS joined the event, along with Sergeant Josh Loos from the Police Department. We appreciate the time and valuable perspectives they shared with our team.

The excitement continued on Aug. 21 with the Bus Rodeo. This hands-on event gave our drivers an opportunity to demonstrate their skills, sharpen safe-driving practices and celebrate the professionalism required to transport students each day. The rodeo also provided a welcome opportunity for team building, friendly competition and renewed focus before buses returned to their routes.

These events come as Valley Bus prepares for an exciting change. In late October, Valley Bus will be joining Reliant Transportation Group. This new chapter will create opportunities to build upon the experience, dedication and strong relationships that have long defined Valley Bus.

As part of Reliant Transportation Group, our commitment will remain unchanged: safely and reliably connecting students with their schools and communities. We look forward to sharing more information as the transition approaches.

Thank you to our guest speakers, everyone who helped make Orientation and the Bus Rodeo successful, and every member of the Valley Bus team for helping us move confidently into the future.
